

# Leadercast™ HUMAN INTELLIGENCE

**There is nothing artificial about leadership. Leaders worth following must upgrade their relational operating systems. Real influence will come from leaders who build trust with empathy and insight**

**Andy Stanley**  
Best Selling Author, Pastor, &  
Founder of North Point Ministries

Communicator, author, and pastor Andy Stanley founded Atlanta-based North Point Ministries in 1995. Since then, he has authored more than 20 books and spoken at leadership conferences worldwide. More than 10.5 million of his messages and videos are accessed online each month.

**Eddie Ndopu**  
Best Selling Author, Pastor, &  
Founder of North Point Ministries

Edward (Eddie) Ndopu wasn't expected to live past the age of five. But now he is an award-winning, internationally acclaimed South African disabled humanitarian working with the UN. Ndopu is a beacon of hope and possibility for the one billion people living with disabilities worldwide.

**Erica Keswin**  
Workplace Strategist, Bring Your  
Human to Work Author

Erica is a highly sought-after workplace strategist and coach with 25 years of hands-on experience and two Wall Street Journal bestselling books. She is a trusted guide for companies around the world looking for ways to connect their teams, increase engagement, and create a human workplace.

**Dr. Henry Cloud**  
Leadership Expert, Clinical  
Psychologist, & Bestselling Author

Dr. Henry Cloud is a leadership expert, clinical psychologist, and New York Times, bestselling author. He is a leadership consultant helping teams improve performance, leadership skills, and culture. His 45 books have sold nearly 20 million copies worldwide.

**Dr. Radhika Dirks**  
Artificial Intelligence Expert,  
Co-founder of Seldn & XLabs

Radhika is an Artificial Intelligence Expert. She has been named one of Forbes' 30 Women in AI to Watch and one of Deloitte's top women in the AI world. She co-founded XLabs, a moonshot factory for solving huge problems like the cure for cancer.

**Jeremie Kubicek**  
Best Selling Author, Leadership  
Expert & Co-Founder of GiANT

Jeremie is the Executive Chairman of GiANT. Before founding GiANT, Jeremie had one of those near-death experiences you see in the movies. It led him on a journey to discover that leadership starts with knowing and leading yourself. Once you lead yourself well, you can lead others.

**Stephanie Chung**  
Chief Growth Officer at Wheels Up,  
Neuro-Selling Expert

Stephanie is a trailblazer and the first African American president of a major private aviation company, JetSuite. She believes in working smarter, celebrating success, and using all the research (including the neuroscience of sales) at your disposal to get the most out of yourself & your organization.

**Joe Boyd**  
CEO and Managing Partner,  
Leadercast

Leadercast CEO Joe Boyd is a storyteller and entrepreneur. Before Leadercast, Joe led Boonrise, a highly successful creative agency, and production company. He is passionate about leadership development and speaks about improvisational leadership, storydriven living, and embracing failure.

**The future belongs to leaders who develop the highest level of HUMAN INTELLIGENCE.**
